O COSMEDICS

O Cosmedics is Australia's number one Cosmedical skincare range. Australian made, owned and loved, O is formulated with the highest respect for the skin and was designed to fight the causes of aging, correct serious skin conditions and ultimately result in skin health, youth and confidence.

golden glow

Perfect for time poor clients needing a quick 'pick me up'.

This express treatment includes a double cleanse, exfoliating enzyme, a suitable O Cosmedics peel application, with finishing creams applied.
(pregnancy + breastfeeding safe).....(30 min) 110

renew & boost – level 1

Let's work together to bring that glow to the surface with a customised peel to suit your skin's needs. Every day is different so why should your peel stay the same. Your therapist will analyse your skin and select the most appropriate peel solution.

Treatment includes a deep cleanse & exfoliate. Your therapist will select from one of our three enzyme corrective O Cosmedics peels. Followed by a facial massage, clarifying cooling mask, leaving clear even skin without damage or inflammation.

Add on blue LED therapy to further enhance your treatment.
(pregnancy + breastfeeding safe).....(60 min) 149

revive – level 2

This treatment is a personalised facial suitable for all skin types, with focus on pigmentation, inflammation & sensitivity.

Treatment includes a deep cleanse & exfoliate. Your therapist will select from one of our six corrective O Cosmedics peels. Followed by a facial massage and a unique alginate mask to soothe, hydrate and calm.

Add on yellow LED therapy to further enhance your treatment.
(pregnancy + breastfeeding safe).....(60 min) 159

remedy – level 3

Perfect for all skin types looking for improved skin health, repair, and correction. This treatment aims to counteract skin ageing, reduce UV damage and improve the cellular renewal process.

Treatment includes a deep cleanse & exfoliate. Your therapist will select from one of our three advanced corrective O Cosmedics peels. Followed by a facial massage and a firming rubber mask to even out skin tone, provides potent anti-inflammatory activity in even the most weakened complexions.

Add on an O-rejuv facial sculpting massage to further enhance your treatment enhance your treatment.....(60 min) 159

o-biome oxygen therapy

Bring life and radiance to all skins by combining the power of cosmetic science and the nature of skin physiology.

O-Biome Oxygenating Therapy works to correct and maintain core skin health and key skin conditions with customised activators and an Oxygenating microbiome, 45-minute setting mask, which provides lymphatic compression and microcirculation for optimum skin health.

GINGER & ME

Created to treat more than just skin, the Mindfulness Sessions acknowledge that life is busy, people are time poor and that often there is little time left for self-love. The heart-skin connection, known in studies as the correlation between our emotional state and the state of our skin, means feelings of stress, overwhelm, anxiety and even self-worth can lead to skin inflammation, deep lines, wrinkles, dull and devitalised skin.

mindfulnesses treatment

A wholesome skin-mind experience created for skin health and mental well-being. An experience guaranteed to leave your skin glowing from within, your mind alive and your being empowered. The GINGER&ME treatments are for all skins and the only one for a one-off game-changing treatment.

Treatment includes a deep cleanse & exfoliate, full facial massage, our signature chill globes massage, Mindfulness meditation, a customised mask to suit your skin concerns finished with hydration.

facial treatment enhancements

Radiance Enzyme Clinical Peel

In a nurturing yet clinical ambience bring dull, devitalised, and dehydrated skin to life with powerful Pineapple and Papaya Enzymes. These professional strength enzymes gently exfoliate, replenish, plump up and return radiance to uneven skin for instant gratification. This enzyme treatment is perfect for all skin types looking for the ultimate pick-me-up and ready to take their skin to the next level.

(pregnancy + breastfeeding safe).....29

Youth Activating Clinical Peel

This triple action peel, with multi-tasking ability, offers a superior rate of gentle exfoliation to renew the skin on multiple levels. Water hungry PHA and a combination of AHA uniquely exfoliates the skin, while simultaneously adding intense moisture and strengthening the skin barrier resulting in the perfect anti-aging treatment. Skin is left glowing, plump, and smooth, tone is more even, pores are refined, and the skin is fresh and youthful.

The perfect age management treatment.....29

DERMAPLANING

Dermaplaning is a skin treatment that uses an exfoliating blade to skin dead skin cells and hair from your face. This treatment is also known as Epidermal Levelling. Dermaplaning improves your skin's surface and makes it smooth, youthful, and radiant. This treatment improves acne, skin texture fine lines and wrinkles. It's also removes "peach fuzz," the short, soft hairs on your face.

BIOREPEEL

An innovative, and exclusive, treatment designed to target acne, acne scarring, congestion, enlarged pores, pigmentation and sun damage...without the downtime associated with traditional deep chemical peels.

BioRePeelCl3 is so much more than just a peel. It is a complete solution for anti-ageing, acne and sun damaged skin. Containing 35% Trichloroacetic Acid (aka TCA), 5 other acids, antioxidants and amino acids, it has a unique formulation that bypasses the epidermal layer to revitalise and rejuvenate the skin from within.

This will involve a series of 3-4 sessions spaced 7-10 days apart. This treatment can only be performed on clients using prescription skincare due to the intensity of the peel.

BioRePeel

Face Treatment includes, Consultation, Double Cleanse, Exfoliation, BioRePeel and Hydration.....(45 min) 229

BioRePeel package

3x BioRePeel Standard Treatments.
